

The Kroger Family of Companies is committed to community engagement, positive social impact and charitable giving at the national and local levels. Every community is unique, but our common goal is to partner with the neighborhoods we serve and help the people there live healthier lives.

One of the ways in which we do this is through our Kroger Community Rewards program. This program makes fundraising easy by donating to local organizations based on the shopping you do every day. Once you link your Card to an organization, all you have to do is shop at Kroger and swipe your Shopper's Card. Here's how it works:

1. Create a digital account.

A digital account is needed to participate in Kroger Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the Kroger Community Rewards selection on your digital account.

1. Sign in to your digital account.
2. Search for your organization [here](#). Search for "Fre Ross Alumni&Friends Schol Fund."
Organization Number: BH378
3. Enter the name or NPO number of the organization you wish to support.
4. Select the appropriate organization from the list and click "Save".

Your selected organization will also display in the Kroger Community Rewards section of your account. If you need to review or revisit your organization, you can always do so under your Account details.

In regards to the Kroger Community Rewards it has come to our attention that the rewards are regional programs. Only people in Ohio, Northern West Virginia and one store in Lambertville Michigan can sign up for the Fremont Ross Alumni and Friends Scholarship Fund. All others can disregard the information in your invitation. Of course, please tell any family and friends who live in those areas to sign up. Sorry for any inconvenience. For those who can sign up thank you for considering it.
